1, GREAT CUMBERLAND PLACE,
LONDON, W.

To

The Warrant officers
Staff Sergeants, and Sergeants
Plymouth Division R.M.L.I.

I am much touched
by the kind greetings
that I have received
from you, for Xmas and
the New Year. The
salient corps of

Royal Marines has
worthily maintained
its brilliant traditions
as exemplified on board
H. M. S. "Pegasus" it is
reported that when the
colours were shot away
the marines held them
up with their hands.

I sympathise with your
wishes wish that right
may triumph over
might and happier
times be in store for
our Empire and her
allies.

Charles Vereford
Admiral
