Žalostne vesti iz Slovenije

V mesecu avgustu so Nemci v okolici Bleda ustrelili 90 Slovencev. Padli so nedolžni, žrtve nacijskega "maščevanja." Ustrelili so jih, ker Nemci niso mogli najti in ujeti pravih krivcev.

Besedilo te točke je jasno. Iz tega besedila je razvidno, da če se namerava smrtne slučaje, ki jih zna vojna zahtevati, potem te določbe izplačevati, je treba, da glavni odbor določi posebni asessment za vse člane-vojake, kakor tudi za vse one člane in članice, ki bodo pri nevarnih vojaških poslih zaposleni.

Nato pride v dvorano naš Jednotin odvetnik brat Fr. Jones, ki nam poda svoje poročilo za zadnjih šest mesecev. Zaeno predloži svoj račun zadnjih šest mesecev v znesku \$839.45. Zbornica vzame poročilo na znanje in odobri izplačilo odvetnikovega računa.

Od 24. oktobra do srede novembra so že izgnali 12.000 Slovencev. Prisilno izseljevanje se nadaljuje po načrtu. V Berlinu je bil sprejet načrt o preselitvi vsega slovenskega prebivalstva iz zasedenih krajev v 'rajh', kjer ga bodo uporabili pri delu v vojni industriji. AMERICA'S FUTURE LIES IN STABILITY OF ITS YOUTH

By FRANK J. LOKAR, Member Supreme Board THE future of America in peace and in war rests largely upon the courage, the character, the discipline, the poise, the deep religious desires, the love of God, and the stability of the young men and women of America. Their lives, their jobs, their careers, and their attitude towards our institutions depend upon the training we give them today. We must win in them a desire to adhere to the high ideals: Love of God, love of country, courage, perseverance, tolerance, liberty, and the dignity of labor. All these high ideals are incorporated in the constitution of KSKJ.
