

RECTOR

*Wrocław, dnia 8 maja 2008r**Professor Owen Gingerich**Honorable Professor Gingerich,*

Let me express my deep joy at the decision of the Senate of The University of Zielona Góra to award you the honor of Doctor Honoris Causa.

As a widely recognized authority on Nicolaus Copernicus especially in regard to his fundamental work "On the Revolutions of the Celestial Spheres" your career achievements became very close to all members of Polish science environment.

Let me take this opportunity to extend to you, on behalf of the whole academic community of the Wrocław University of Economics and myself, warm congratulations and sincere wishes for success in all your plans.

With the assurance of my highest consideration I remain

Sincerely yours

Rector

Prof. dr hab. Bogusław Fiedor
