by the Leave and License of Us, or of our Lieutenant, Deputy, or other Chief Governour or Governours of our said Kingdom, for the Time being; and unless such Pensioner, when each Payment of his, or her Pension shall be made, do personally appear before our Vice-Treasurer of our Kingdom, or his Deputy; or that there be deliver'd unto him an authentick Certificate of such Pensioner, being alive, and where residing, when the said Payment became due, to be filed in the Office of our Treasury there. And whereas it may so happen that some of the said Pensioners are now Dead, by Reason whereof their Pensions ought immediately to cease. Our Will and Pleasure is, That such Payment do thereupon cease, as well as in all such like Cases which hereafter may happen, notwithstanding their being inserted in this our Establishment. And in order to ease, as much as may be, the Charge of such of the said fore-going Pensions, as are under the Head of Charities; and to prevent their assigning and transferring the same, from whence many unreasonable Applications do ensue, as well as to discover the Circumstances and Qualifications of the Person enjoying the same. Our Will and Pleasure is, That our Chief Governour or Governours of the said Kingdom, for the Time being, shall, from Time to Time, cause strict Enquiry to be made therein, and wherein it shall appear that they have Estates or Employments, sufficient to maintain themselves and Families, without the Assistance of such Pensions, or that they have assign'd or transferr'd the same, in every such Case, the said Pensions shall cease and determine; and in Order to the more easy and speedy Discovery thereof, together with the Certificate above mention'd of their being alive, and of the Place of their abode; there shall, at each Payment, be produced to our Vice-Treasurer, or his Deputy, a voluntary Oath, taken severally by the said Pensioners to that effect, before any of our Magistrates lawfully authoriz'd to administer the same; as also, That they are the real Persons to whom the said Pensions were first granted.
