Do you think that women get a raw deal?

Do you want to do away with discrimination against women in —

JOBS, CAREER STRUCTURES, HEALTH, THE FAMILY, THE LAW, CONTRACEPTION, SOCIAL WELFARE

and many other areas of the society in which we live and work?

The CORK WOMEN'S COLLECTIVE believes that all people — men and women — should be free to develop as full persons, should not be stereotyped according to their sex.

If you think along the same lines, come to the CORK WOMEN'S COLLECTIVE.

The COLLECTIVE has a feminist perspective.

We combine activity with discussion and self-education.

Topics of special interest groups include:

**SELF-HELP HEALTH GROUP;
SINGLE PARENTHOOD;
SEXISM IN EDUCATION;
CONTRACEPTION;
FEMINIST CONSCIOUSNESS-RAISING GROUPS;
CHILD REARING and CHILD CARE.**

The CORK WOMEN'S COLLECTIVE meets fortnightly.
