Dear J. Buding

Thank you so much
for your book and
your letter - (forgive my
bad writing). I have had
arthritis.

Your art is most sym-
pathetic to me being
so romantic, national
and a little abnormal.
All these things I
too am. I have

had your books with
me for a week, looking
again and again at
the pictures. I make
my own sketches for
them.

Come to the (and)
to hope we may
meet.

(sincerely)

Hugh Walpole
