soul, in heart, in brain and frame, His life's course nob---ly
miss the fear---less heart, the soul That held no ess---ence

ran; No thought of self its cur---rent bore But
base; We miss the gift---ed tongue and pen, The

friends e'er found it, true, And Oh! Dark Ros---a--
mind to mus---ic wed, And dwell with mourn---ful

leen, its tide was ear---ly spent for you!
pride up-----on our lat---est her---o, dead!
