

Living in Lucan is good because I have lots of friends there I used to be in the majoretts dancing but I quit. I like the shops some are cheap and some are dear. It is good because they have a new church as well as the bush centre. I go to the new church every Sunday morning. Me and my friends like Liffey Valley because it is a big centre. I like all the houses there all very nice and the people in Lucan are kind. I normally go to Dunnes stores with my friend they have lovely clothes and shoes its all very nice around Lucan. I like our new school because I've made lots of new friends and on my cul de sac a new girl has just moved in there about 2 or three months ago shes kind and so is her mum and dad. I like all the teachers in the school. They are all very nice and kind and my teacher Miss [name] is very fashionable I like all of her clothes she looks very kind although she is she also does lots of art with us she is very good to us she doesn't give us to much work she is very gentle although Lucan sometimes messy and sometimes clean but other than that it's a good place to live in.
