Dear Nestor -

It was nice hearing from you a nicer hearing about your work which sounds indeed stimulating, although I must admit strenuous.

I shall be looking forward to seeing it if it comes to New York and would appreciate your sending me its title and information about where & when it will be shown.

I enjoyed your work at the film showing at the Cafe more than the others, which seemed to me to be more attempts at the avant-garde than anything else.

Do you really think you shall be coming to New York? If you do please let me know,

I would like to give a small reception for you, I have told many of my friends about you & they are quite interested in Cuba and its various attempts at a

new cultural outlook.

My home phone # is
ORS-3088 and my answering
service # is PL 76300.

But do write letting me know
about your arrival, how
and when etc.

I am still studying
at THE NEW SCHOOL FOR SOCIAL
RESEARCH.

As a time filling project
I've been writing a dramatic
version of Nietzsche's THUS
SPOKE ZARATHUSTRA. If I
ever finish it I would appreciate
your remarks on it.

I have seen none of
our old friends, strangely
they cease to amuse me
anymore. ~~For~~ Senny's has
been turned into an
Espresso shop. The police
raided & closed it. ~~It's~~
~~not~~ so as a coffee shop
it's quite ironical ~~on~~ all those
people who spent years learning
to hold cocktail glasses properly
must now learn to be graceful
with demmi-tasse cups.

Do take care of yourself -
you sound over worked.
And write soon. I shall be
looking forward to hearing
from you and until then
remain

Respectfully yours,
Harry M. Koutouzas.
