Memorandums.

I must give Credit to Mr. *John Thomson*, in Case he has any Demand or Claim on me, prior to the First of *January* 1730. And whereas several Transactions of Money paid to and received of him, have past between him and me since that Time, which I cannot set forth, or recollect that I have paid, or otherwise disposed of, any Sum or Sums of Money more than those mentioned or set down in my Cash Account; I cannot therefore credit Mr. *John Thomson's* Account, with any other Sum than the Ballance of the Cash disposed of or laid out, and the Cash received by me.

I have stated in my Cash Account paid in on 136 Shares in the Charitable Corporation, which on Recollection I believe to have been paid by Mr. *John Thomson*.

I have some Concern in a Patent granted Mr. *Brown* for making Guns after a new Method, on Account of which Mr. *John Thompson* has disbursed a small Matter on my Account.

I paid Mr. *Thomas Jones* the Auctioneer 500*l.* and 14*l.* for Law Charges, for which I have enter'd my Claim before the Masters in Chancery appointed by Act of Parliament to state the Demands on the Charitable Corporation, and I hope to recover the same either from the Charitable Corporation or Mr. *Jones*.

Mr. *Abram Munos* has two *York-Building* Bonds for 500*l.* each of mine in his Hands, as a Security for the Payment of the Money by him disbursed for the Purchase of 6000 *York* Stock he holds for me.

I paid at several Times for the Use of the *York Building* Company the Sum of 1963*l.* 10*s.* 6*d.*

And I have received from the said Company 4000*l.* in their Bonds.

One Thousand Pounds in the said Bonds are at present in my Possession, and the said *York Building* Company having received several Materials and Utensils, &c. from the Agent of the Mineral Concern at *Morvin*, I am at a Loss whom to credit for whatever the Bonds might have or may render more than to satisfy my said Demands; if to the concerned in the Mines at *Morvin*, then I must credit Sir *Archibald Grant*, Mr. *William Squier*, Mr. *George Robinson* and Mr. *John Thomson*, with their several Proportions; if accountable to the *York Building* Company, then I must remain their Debtor.

Mrs. *Judith Perfode* has received of me five Family Portraits, which I valued at ten Pounds, and for which I am to have Credit in the Account of an Annuity I am to pay her, as mentioned in this Inventory *Folio* 1.* on which Annuity there is a Sum due to her over and above the Dividends by her received.

* Of the Original Manuscript.

I have a Claim on the Government for a Salary as Auditor to the Duties on Coffee, Tea, and Chocolate, from the Time that Branch of the Revenue was put under the Management of the Commissioners of the Excise, to the Time I was superseded.

Henry Cartwright, Esq; is accountable for the several Effects by him taken in Execution, and for their Produce.

The Inventory of my Plate, Jewels, Household Goods, Furniture, Pictures, Books, Medals, Statues, is at the End of this Book, *Folio* 83 and 84.* the Variation they have undergone since the 1st of *January* 1730, being therein mentioned, and the Money received by my Wife for any Part thereof, is brought into my Cash Account.

I am informed that Mr. *Josiah Speerman* has lately sold the 4000 *York* Stock, mentioned in this Inventory to be in his Hands, for 180*l.* for which he must credit my Account.

Mr. *Mitchener* at present continues Agent to the Right Honourable *Charles* Lord *Cadogan's* Regiment, in Trust for me.

Edward Turner, *Ambrose Page*, *Thomas Milner*, Esqs; Mr. *Thomas Hotchkiss*, and Mr. *John Charles* deceased, have received Dividends on Charitable Corporation Shares in their Hands, and must account for the same, when the Interest on the Money advanced me is allowed them, and the Persons indebted to me, must likewise be charged with Interest.

I have omitted in this Account to credit Mr. *Blackall* with 12*l.* 14*s.* paid by him to Mr. *Chambers*, and to charge it to Sir *Archibald Grant's* Account, the same having been transacted by my Order.
