- 7629 Office de la B. heureuse Vierge Marie, écrit par Nicolas Jarry Parisien l'An 1656, petit in 12, contenant 95, feuillets du plus plus beau velin possible.

Ce manuscrit incomparable fut fait pour Anne d'Autriche, épouse de Louis XIII. & mere de Louis XIV. a sa mort il passa au grand Duc de Bourgogne; de celui cy, il fut donné a Madame de Maintenon par Louis XIV. par les conseils de Fenelon. Lypocrite d'Aubigny affectoit de le regarder avec un saint fanatisme, & en faisait l'objet de ses adorations simulée, elle appeloit ce petit livret, son prie vierge. L'Ecrivain Jarry, instruit que le celebre Petitot devoit composer des miniatures pour orner son MS. ebercha dans les resourses, de son art, toutes les moyens seduisants & magique, pour charmer a la fois, le gout & les yeux, son but ayant été parfaitement rempli, il ne restoit plus rien a desirer que la divine touche du peintre, ce dernier a son tour, epuissa les resourses de son genie, pour composer des sujets digne du travail du MS. & en meme temps des personnages auquel il etoit destiné. En consequence, il composa 8 sujets en miniature, d'une riche proportion pour orner ce tresor de curiosité, avec tant de grace, de genie, & de fraicheur, & avec toute la finesse, & le miel de la mysticité, chose requise & bien esentielle pour les devots; de sorte que jamais vierge ne fut plus belle, jamais veillard si venerable, & jamais, non jamais, les hommes, & les anges, ne parurent si charmants. Independamment des 8 sujets en miniature. Le MS. est encore orné de 8 petits desseins de Branchages, de fruit, & fleurs, en forme de vignettes, de l'eclat & de la fraicheur de la rosée d'un beau matin du printemps—Ce livre fut detourné a la mort de la Maintenon mais il reparut de la vente de la douairiere de Conti, le feu prince du même nom, le fit retirer de la vente, & en orna son fameux cabinet, depuis il est devenu la proye d'une des mistresses du prince, la nommée la Lebel—dans son beau regne, le prince en faisait le plus grand cas, il etoit placé de cotté du fameux livre de priere fait par Brinktel pour la famille des princes de la maison de Bade, & qui a été vendu pour la Bibliotheque nationale de France. Toutes les lettres initiales son peintes en or, ou en asur, & chaque feuillet est decoré d'un fillet simple d'or

- d'or bruni. Tout ce qui a été vu, et vendu de cet ecrivain jusqu'à present, est infiniment au dessous de notre MS.*
Voyez les notes de Buffi Rabutin, dans son livre de priere des seigneurs de la Cour de Louis XIV.
