PREFACE.

GREAT numbers of Advertisements appearing in the newspapers, calling on Heirs at Law, Next of Kin, Legatees, and others, to come forward and claim property of all kinds and amounts of value, such advertisements continually appearing in the crowded columns of closely printed matter, have, in the majority of cases, failed to attract the notice of the really interested parties.

As it is a fact of every-day occurrence, that persons claiming property as Heirs at Law, Next of Kin, Legatees, &c., are induced by puffy advertisements, which are being continually thrust before them in one form or another, to apply for information or assistance from parties altogether unable to give proper information, or render efficient assistance—the almost invariable result being disappointment and money fruitlessly expended under these circumstances.

The necessity of an accredited medium for the supply of such information has induced the Author of the present work to present it to the public; and if it be the means of abating in any degree the evil referred to, his object will be attained: its publication having entailed great labour and expense, with little or no remuneration.

Mr. CHAMBERS will always be ready to give his advice in connection with any case in which he has supplied information, or he will superintend the investigation or establishment of any claim promptly and on honourable terms.

An idea of the value of the Information for the Names in this Index may be formed from the fact, that in many cases it is considered sufficient to give those interested a direct clue for the recovery of many THOUSANDS of POUNDS sterling.

INSTRUCTIONS

FOR OBTAINING THE ADVERTISEMENTS OR INFORMATION FOR THE NAMES IN THIS INDEX.

ALL LETTERS REQUIRING COPIES OR EXTRACTS OF ADVERTISEMENTS OR INFORMATION MUST BE ADDRESSED

Mr. ROBERT CHAMBERS,

16, *Beresford Terrace, Beresford Street,*

Walworth Road,

Jan. 1*st*, 1857. *LONDON.* (S.)

The fee for FULL COPIES of the Advertisements or Information respecting the Names in this Index, will vary according to length, date, and value, beginning at 10*s.* 6*d.* upwards.

As some persons might wish to have an extract or outline of the Advertisement or Information in some of the Names in this Index before paying the fee for the FULL COPY, to enable them to judge for certain whether it refers to the person of whom they are seeking intelligence, such an extract or outline will be sent on receipt of 7*s.* in Postage Stamps, or Post-office Order. And should a full copy be afterwards required, the 7*s.* would be deducted from the fee paid for the FULL COPY.

Care must be taken to send, correctly, the Number attached to any Name in this Index, as no fee can be returned after supplying Information in any case.

For the convenience of parties in the City, a personal interview, if desired, with Mr. Chambers can be had every day between the hours of 12 and 2 o'clock, at the Publisher's, 8, Amen Corner, Paternoster Row.

Purchasers are requested to order "CHAMBERS'S INDEX TO HEIRS AT LAW," *and the precise Letter.*

The whole, handsomely bound in cloth, price 20*s*., Post-free.

A vast number of Advertisements appear in the newspapers, calling on HEIRS AT LAW, AND NEXT OF KIN to deceased persons to come forward and claim property of all kinds and amounts of value—such advertisements generally appearing in the crowded columns of closely printed matter—have, in the majority of cases, failed to attract the notice of the really interested parties; and so many tricks have been played by unprincipled persons, under pretence of revealing to their dupes "something to their advantage," arising out of unclaimed property, that the necessity of collecting and arranging the original advertisements, and placing them within the reach of every individual, by means of a cheap INDEX, appeared to the compiler of the present work the best and most advantageous mode by which all may learn, without risk, at a trifling cost, whether there be really anything likely to be "to their advantage."

Persons residing in the country should send, direct to the Publisher, Twelve Stamps, for any Letter required, to ensure the new and correct edition by return of post.
