A LIST  
OF  
GRADUATES IN THE FACULTY OF  
MUSIC,  
FROM  
1830 TO 1876.

THE following list of Graduates in the faculty of Music has been carefully drawn up from Official sources, with a view of exposing all sham degrees of Mus. Doc. and Mus. Bac. Being thoroughly exhaustive, and correct in every detail as far as it was possible to make it so, it is clear that every Degree in Music claimed by any one, which is not contained in this list, is spurious. No foreign Universities possess a faculty of Music at all, neither do the Universities of Scotland. The only way, then, of obtaining degrees in Music is by graduating at either Oxford, Cambridge, Dublin, or Durham, or else by having an Honorary Degree of Mus. Doc. conferred by the Archbishop of Canterbury. It has been thought unnecessary to record any Degrees granted before the year 1830, no Graduates of an older date being now alive. The list has therefore been made out from Jan. 1, 1830, to March, 1876.

It is commended to all lovers of honesty and fair dealing.
