### PRAYERS.

1. Calling out of the Army Reserve and Embodiment of the Territorial Force —  
Message from the King: *Delivered* by the Lord Privy Seal (*M. Crewe*),  
and read as follows:

The present state of public affairs in Europe constituting in the opinion of His Majesty a case of great emergency within the meaning of the Acts of Parliament in that behalf, His Majesty deems it proper to provide additional means for the Military Service, and, therefore, in pursuance of these Acts, His Majesty has thought it right to communicate to the House of Lords that His Majesty is, by proclamation, about to order that the Army Reserve shall be called out on permanent service; that soldiers who would otherwise be entitled, in pursuance of the terms of their enlistment to be transferred to the Reserve, shall continue in Army Service for such period, not exceeding the period for which they might be required to serve if they were transferred to the Reserve and called out for permanent service, as to His Majesty may seem expedient; and that such directions as may seem necessary may be given for embodying the Territorial Force and for making such special arrangements as may be proper with regard to units or individuals whose services may be required in other than a military capacity.

Then it was *moved* that the said Message be taken into consideration forthwith: The same was *agreed to*, and the said Message *considered* accordingly: Then it was *moved* That an humble Address be presented to His Majesty thanking His Majesty for His most gracious Message communicating to this House His Majesty's intention to call out the Army Reserve on permanent service and to cause the Territorial Force to be embodied; *agreed to, nemine dissentiente*: Ordered That the said Address be presented to His Majesty by the Lords with White Staves.

HIS MAJESTY'S  
MOST GRACIOUS SPEECH.

---

*My Lords, and Gentlemen,*

I ADDRESS you in circumstances that call for action rather than for speech.

After every endeavour had been made by My Government to preserve the peace of the world, I was compelled, in the assertion of treaty obligations deliberately set at nought, and for the protection of the public law of Europe and the vital interests of My Empire, to go to war.

My Navy and Army have, with unceasing vigilance, courage, and skill, sustained, in association with gallant and faithful allies, a just and righteous cause.

From every part of My Empire there has been a spontaneous and enthusiastic rally to our common flag.

*Gentlemen of the House of Commons,*

I thank you for the liberality with which you have met a great emergency.

*My Lords, and Gentlemen,*

We are fighting for a worthy purpose, and we shall not lay down our arms until that purpose has been fully achieved.

I rely with confidence upon the loyal and united efforts of all My subjects, and I pray that Almighty God may give us His blessing.

---

Then a Commission for proroguing the Parliament  
was read.

After which the Lord Chancellor said:

MY LORDS, AND GENTLEMEN,

*BY virtue of His Majesty's Commission, under the Great Seal, to us and other Lords directed, and now read, we do, in His Majesty's Name and in obedience to His Commands, prorogue this Parliament to Tuesday the Twenty-seventh day of October One thousand nine hundred and fourteen, to be then here holden; and this Parliament is accordingly prorogued to Tuesday the Twenty-seventh day of October One thousand nine hundred and fourteen.*
