Dear Honoured Berge,

I want to send you my
most sincere sympathy
in the loss Romania has
sustained by the death of
King Ferdinand. Ever

Those who are not able to
know the extent of his sterling
qualities must feel deep
admiration of his courageous
fight against increasing
ill. health.

Herewith the text of the stories
I want you. Love.

not find the equivalent of
"Armenia" nor of "Atonit"

Yours very sincerely

Lucy Barry
